### FARRELL STILL HOLDS YANKS.

The American League meeting ended with everybody standing pat. No change in attitude toward the Feds, no change in its own lineup and, beyond the discussion of minor betterments, nothing was done—that is, according to what the scribes are told.

Farrell sticks as owner of the Yanks. Cheaper world series are advocated, cutting the limit of players on each team to twenty was suggested, and C. W. Somers of Cleveland was re-elected vice president.
